

Banners and Baskets

Each Spring, East Valley Wildlife holds an "Easter Basket Bonanza" at Epiphany Church. The event raises funds for our organization and many baskets are purchased for the local Child Crisis Center. Each basket is a "masterpiece" with fuzzy plush animals as a theme. You can buy a "cow theme" basket; a "race car" basket for a small boy; or a "hummingbird" basket-to name just a few. We encourage people to never purchase live ducklings or chicks as Easter "gifts"!

The photo shows volunteers proudly displaying our new banner. Throughout the year EVW attends many events and the new banner has certainly raised our profile among attendees.
